

Foxhole's Liberty Watch Program

This is a Ministry program within the Church to develop Soldiers of Christ to pray, prepare, and activate the body of Christ to combat the real and present danger of losing America's faith based culture and our Religious Freedoms.

Liberty Watchers are those men and women who want to enable our Church to be involved in changing our culture and acting as Watchmen on the wall (Ezekiel 33:7-9) to warn and educate the body of Christ to make Christ the Spiritual leader of our nation. (Matthew 28:19) We are charged to be involved in the moral issues of the day to "heal the brokenhearted, proclaim liberty to the captives and recovery of sight to the blind, to set at liberty those who are oppressed". (Luke 4:18) Therefore, we are to use our citizenship to involve ourselves like Paul in the market place of ideas where we can inject the truth of Christ. In Joshua 24:15 it says, "... choose for yourselves this day whom you will serve: ... but as for me and my house, we will serve the Lord." We serve Christ; we do not serve an enterprise! We serve the King of Kings and the Lord of Lords!

Why Christians need to act? Today we wonder why the federal, state, and local governments are trying to take our free-speech and religious rights from us by destroying our religious liberty. Thousands of Christians in America have been fired, sued, and persecuted. The biggest reasons these attacks are successful is Christians are silent, inactive, not good stewards of their citizenship by not being involved in the market place of ideas.

It is estimated that 27 million evangelical Christians did not vote in the 2016 presidential election and 35% voted to elect secular progressives that sponsor persecution of Christians, gay marriage and the killing of the unborn. Studies show 75% of clergy are not speaking and exposing the darkness of political immorality in America. They are not teaching their churches how to stand against the onslaught of religious persecution. How can this be? Christians and Clergy believe they can't speak the biblical truth about politics, or expose the darkness of the secular agenda that is deceiving this country.

Do I have the qualifications? In God's efficient and concise use of Christians, talent it is not the most important thing. It is a matter of heart, commitment, and perseverance that God uses. "Blessed are the peacemakers, for they shall be called sons of God." (Matthew 5:9)

We become alive when we grow in the liberty of Christ! The Liberty Watch will commit, through the blessing of the Spirit of Christ, through prayer, inspiration, and motivation, to awaken their Christian Church to stand on God's Holy word. Through this process, we gather a number of likeminded, (normally 3 to 12) who will feed, educate and support our shepherds and the church, motivating them to grow and get involved as 'Watchmen on the Wall.'

There is true hope! There is shining light of truth in Christ's word growing in a coalition of faith communities across this great country. They are boldly trumpeting biblically based solutions to the nation's problems and countering the secular deception of darkness. The hope is the development of many from today's few who will be willing to commit themselves and boldly serve as Soldiers of Christ.

Liberty Watch encourages coordination between Churches on public threats challenging our faith, clergy, and culture. Working together provides a united voice of the church to stand united against the antigod humanistic agenda prevalent in our country today. Knowing their thoughts, Jesus said to them,

“Any kingdom divided against itself is laid waste; and any city or house divided against itself will not stand.” (Matthew 12:25&Mark 3:25)

Resources: Use Foxhole Ministry’s Website and other developed resources to spread the culture war news to the whole body of Christ.

What will our church look like? Not in order of importance!

- **Pastors are supported to stand and preach the biblical truth from the pulpit regarding every moral issue the world turns into political issues. This unifies the body and dispels the lie that Christians must separate Church from State and denounces separating our spiritual life from our secular life.**
- **The Liberty Watch assists the Body of Christ to be educated and informed of threats and attacks on their Religious Freedom in America today.**
- **All the separate ministries and outreach programs within the church receive information on how to prepare, and combat Satan’s lie that Christians can’t speak Christ’s truth into every area of society.**
- **During the election season Liberty Watch identifies ballot issues and Christian candidates to support in local, state, and federal elections. All candidates are vetted so the body will know the candidates that will most positively impact America for the cause of Christ verses the secular anti-Christ world view.**
- **Liberty Watch promotes voter registration to enable 99% of the Church to register to vote. Making it known that Christ followers vote for people and issues that support biblical principles. In 2 Corinthians 10:4 it says, “For the weapons of our warfare are not of the flesh, but divinely powerful for the destruction of fortresses.”**
- **Church education includes the discussion of citizenship, (Who are we in Christ) defining the evil of today and how progressives (Humanism) are attacking the body of Christ. Pastors, Leaders and Liberty Watcher representatives teach the body what it means to astutely apply their Christian values to civic involvement and edify the Churches external purpose, commitment, dedication, and pledge to speak into the culture by living, communicating, and voting Christian values.**
- **The church supports local ministries, outreach programs and national ministries who are involved in standing for the body of Christ. Examples of national ministries are Alliance Defending Freedom, Family Research Council, CitizenLink, and the American Family Association, to name a few. These ministries today are just as important as foreign ministries.**

The consequence:

The body of Christ becomes the public barrier preventing despotism, tyranny, and secularism. A united body of Christ firmly planted in the word of God, becomes a vibrant advocate for Christ in the war against secular elements against our faith and culture. All the legislative bodies and governmental elements with Christ’s truth spoken into them will be able to open their eyes and again hear the voice of Christ’s people. Only then will they begin to consider Christs world view in everything they do!

Where do we get our strength? We get our strength from God's word, prayer, commitment and confidence in Christ. “I am the vine, you are the branches. He who abides in Me, and I in him, bears much fruit; for without Me you can do nothing.” (John 15:5)

“Fight the good fight of faith, lay hold on eternal life, to which you were also called and have confessed the good confession in the presence of many witnesses.” (1 Timothy 6:12)
